Institutional Advisor Contacts

Dear Student!

The academic year for all first-year students begins with getting acquainted with your student's advisor. This is the person who will accompany you during the adaptation, answer all your questions, help with documents, "Onai" card, scholarship, registration on the educational portals of the university, military ticket and schedule. Write down his phone number and contact him with all your questions. To get to know an adviser, contact the directorate of the institution that runs the educational program for which you have enrolled:

O.A. Baikonurov Mining and Metallurgical Institute

Institute Directorate: Mining and Metallurgy Building (MMB), Auditorium 232,
8 (727) 320 40 45.

Deputy Directors:

Kenesbay Joldasbaevich Aitenov, phone +7 701 453 00 02
Tilepbai Alimbaevich Kuandykov, phone +7 701 902 00 09
Saule Temirbolatovna Soltabaeva, tel. +7 747 480 76 31

Education programs:

- Mineral Processing
- Geospatial Digital Engineering
- Mining Engineering
- Engineering Physics and Materials Science
- Metallurgy and mineral processing
- Metallurgy Recycling

K. Turysoff Institute of Geology and Petroleum Engineering

Institute Directorate: Main academic building, Auditorium 325,
8 (727) 320 40 41.

Deputy Directors:

Asyl Temirtayevna Makizhanova, phone +7 701 6247243

Yalkunzhan Kamalovich Arshamov, phone +7 707 8173582

Rinat Serikovich Akpanbayev, tel. +7 701 473 1412

Education programs:

Drilling engineering

Petroleum engineering

Biotechnology

Water resources and water management

Geology and mineral exploration

Hydrogeology and geoecology

Hydrogeology and geotechnical engineering

Environmental Engineering

Trunk networks and infrastructure

Petroleum and Ore Geophysics

Applied geology

Technology of foundry engineering

Technology of core fabrications and new materials

Technology of rare and radioactive elements

Technology of pharmaceutical production

Chemical Technology of Petrochemical and Gas Chemical Products

Chemical technology of organic substances

Chemical technology for production and processing of polymers

Institute of Automatics and Information Technologies

Institute Directorate: Korean Center, Auditorium 302,

8 (727) 320 40 44, +7 (727) 320 41 34.

Deputy Directors:

Ms. Zhuldyz Beishenalievna Kalpeeva, phone +7 705 174 8584

Ms. Aizhan Bakhytzhannovna Kasymova, phone +7 701 715 1043

Adlet Zhaksybayuly Kassymbekov, tel. +7 747 792 6733

Sanzhar Sagynuly, phone +7 707 777 1128

Education programs:

Automation and robotics

Biomedical engineering

Information security

Information systems

Computer Sciences

Space Engineering and Technology

Robotics and Mechatronics

Telecommunications

Electronics and Electrical Engineering

Institute of Power Engineering and Mechanical Engineering

Institute Directorate: Mechanical Engineering Building (MBC), auditorium 27,
8 (727) 320 40 36.

Deputy Directors:

Dinara Dzhumabaevna Baskanbaeva, tel. +7 701 861 5162

Yerik Zeynelovich Nugman, phone +7 707 190 0581

Maksat Kendebayevich Myrzakulov, tel. +7 701 335 4869

Education programs:

Industrial Engineering

Engineering mechanics

Mathematical and computer modeling

Heat Power Engineering

Technological machines and equipment

Production technology, repair and operation of cars

Production technology, locomotive repair and operation

Transport Engineering

Operational and service engineering

Power Engineering

Institute of Architecture and Civil Engineering

Directorate of the Institute: Small academic building (MUK), auditorium 202,
8 (727) 320 41-37.

Deputy Directors:

Zhanar Orazbekkyzy Zhumadilova, phone +7 777 1388677

Firuza Kaisarbekovna Batesova, phone +7 702 4988226

Tatyana Vladimirovna Matveeva, phone +7 701 550 43 00

Education programs:

Architecture

Design

Occupational Health and Safety

Engineering Systems and Networks

Civil Engineering

Wood structures design and calculation technology

Transportation Engineering

Transportation Facilities

Project Management Institute

Institute Directorate: Main academic building, Auditorium 415,
8 (727) 320 40 91.

Deputy Directors:

Maira Khomarovna Abenova, tel. +7 702 520 7442

Ms. Dinara Orazovna Satybaldieva, phone +7 777 207 2911

Shyndauyl Elmuratovich Nugumanov, tel. +7 707 487 1896

Institutional Advisor: tel. +7 (702) 800 888 0

Education Programs:

Startup Bachelor's Degree

Business Engineering

Mathematical Economics and Data Analysis

Transportation Services

Digital Logistics
